

# ETRI-Activity3D Dataset V1.0

## EULA(End User License Agreement)

By signing this document the requestor, he or she who will make use of the dataset, agrees to the following terms.

1. The requestor may only use the dataset after this EULA has been signed and returned to the dataset provider. The requestor must print and sign the EULA, then scan it and upload it to the our data sharing platform (preferable in pdf format). Upon receipt of the EULA, the requestor will be authorized to access the dataset.
2. The requester must not provide, transfer or license this dataset to any third party.
3. This dataset can only be used for research purposes and not for commercial use.
4. If the dataset has been modified or improved, the requestor must inform the provider of the details before it is released to the public.
5. When the requestor inserts images of this dataset in his or her papers, presentation materials, or reports, the requestor must blur the faces in the images for personal information protection.
6. According to the approval of the Institutional Review Board(IRB), this license agreement is valid until 31 December 2026. The requestor must discard this dataset after the termination of the agreement.

### The provider:

Human Robot Interaction Research Lab,  
Electronics and Telecommunications Research Institute.
